

**CELEBRATING BAYVIEW'S  
50TH ANNIVERSARY WITH A  
'50-50' OF A DEAL!**

## **SINCE 1960...**

Bayview Golf & Country Club is a multi-activity, family oriented country club established in 1960. Over the years, Bayview Golf & Country Club has been host to leaders of business and noted individuals from the world of sports and entertainment. Today, Bayview is among the select few GTA clubs that offers a truly comprehensive range of activities and programs - golf, curling, tennis, fitness, swimming, fine dining, social events and much more - all taking place in an exceptionally well-appointed clubhouse and outstanding sports facilities.

Currently listed among Score Magazine's Top 100 Courses in Canada, the 18-hole, walkable, par 72 course meanders over gently rolling terrain, through the trees and around water features. Designed by Canadian Golf Hall of Fame architect, Robbie Robinson, and renovated by Doug Carrick, Bayview is renowned for impeccable conditioning and strategic challenges.

Five sets of tees, ranging from 5,400 to 7,100 yards, allow players to choose the appropriate challenge to match their game. Large, subtle greens that appear friendly and still befuddle the most experienced members make every round unique.

While Bayview's primary offering is golf, consistent with the club's mission, the Club also offers an expanding range of sports and programs to be more inclusive and to suit the evolving needs of its family and individual members. Offering an 'ALL-IN' activity fee, Bayview supplements a member's golf experience with facilities for fitness, tennis, curling and swimming complete with a well-appointed clubhouse for the comfort of all ages and interests. Bayview also offers membership alternatives for non-golfers who are attracted to a diverse club environment and alternative activity sections or for those interested in outstanding social amenities in a private club setting.

## Membership at Bayview...

Consistent with our mission of providing superior services in a private family oriented environment, the primary member, and if applicable, spouse and children under 30 are included under one entrance fee.

The golf activity fee is an ALL-IN fee-it is inclusive of tennis, fitness and curling activity. We offer both a weekday golf membership and the full 7-Day. Weekday membership refers to only the golf activity being restricted from Monday to Friday (except Holiday Mondays). The other activities are available 7 days a week. Both the Weekday and 7-Day categories, have a Family of Golfers versus an Individual Golfer Entrance Fee option. Just to be clear, the individual entrance fee is still a membership that is inclusive of the entire family but pertains to those families that have only ONE golfer. The other members of the family can enjoy all the other amenities and programs the club has to offer.

Subject to applicable fees, Social & Sports Members have access to every activity offered including afternoon access to the Golf Course 4 times/year. Social Clubhouse Membership includes This membership includes access to Dining, Social Events, Pool and Camps.

Membership applications must be complete with sponsor names and the first installment in the form of a cheque. The balance of entrance fee payments will be billed each anniversary date over your payment period at no interest. If you have issues in terms of sponsorship-please know that we do offer a variety of options and can assist you in the process.
